FBS UNIVERSITAS KANJURUHAN MALANG
SEMESTER GANJIL –2018/2019
UJIAN AKHIR SEMESTER

Course : English Morphology
Code : ENG324
Lecturer : Uun Muhaji, S.Pd., M.Pd.

English Morphology Final Project

Type of Project : Individual Project
Due Date : 11 January 2019
Instructions :

1. Find a one-page English article from online magazine/newspaper/news website (the topic is one of the followings: technology, education, finance, food, health, entertainment, sport, travel, lifestyle, or of your own choice).
2. Identify any form of inflections, derivations, and compounding in the article (***make sure to underline the inflections, circle the derivation, and highlight the compounding with bright color***).
3. Analyze your findings (inflections, derivations, and compounding) and distribute the data into:
 - a. Inflectional processes analysis table
 - b. Morphemes analysis (tree-diagram) of the derivations
 - c. Derivational processes analysis table
 - d. Compounding analysis table
4. Submit the result of your analysis (article which has been identified and analyzed must be enclosed)

Inflectional processes analysis table

No	Inflectional form	Lexeme	Suffix	Suffix function	Grammatical words explanation

Derivational processes analysis table

No	Derivational form	Affixes	Derivational processes	Possible meanings

Compounding analysis table

No	Compound Nouns	Compound Verbs	Compound Adjectives	Blends	Acronyms	Combining Forms	Phrasal Words

****GOOD LUCK****
